Briefly explain why you are requesting out-of-district status to attend USD #216 Deerfield Schools.

I understand the following information will be reviewed including records from the school district the student is presently attending by the administration. This information may be used to **ALLOW** enrollment in USD #216 or **DENY** enrollment. Enrollment may also be denied if staff, facilities, equipment and supplies are not sufficient. Seniors wishing to enroll in USD #216 must be approved by the end of the third week of the first nine weeks. Denial will terminate my out-of-district status. USD #216 reserves the right to deny any student acceptance.

I understand each out-of-district student status will be reviewed on an annual basis, and the following criteria will be used to help determine annual enrollment status:

1. Attendance/Tardy record
2. Academic records
3. Conduct report – Including suspensions/expulsions from school
4. Involvement in school activities and positive support of all school activities
5. Citizenship outside of the school system
6. Committee recommendation
